OPENING:

God wants us to pray for ourselves and the world around us! He gives us "The Lord's Prayer", in Matthew 6, to teach us how to pray!

PASSAGE:

MATTHEW 6:9-13:

⁹ In this manner, therefore, pray: Our Father in heaven, Hallowed be Your name. ¹⁰ Your kingdom come. Your will be done On earth as it is in heaven. ¹¹ Give us this day our daily bread. ¹² And forgive us our debts, As we forgive our debtors. ¹³ And do not lead us into temptation, But deliver us from the evil one. For Yours is the kingdom and the power and the glory forever. Amen.^[c]

KEY THOUGHTS ABOUT THIS PRAYER:

- It is important that Christians know how to pray! In this passage, Jesus is speaking to his people, teaching us first-hand how to pray, giving us a categorical breakdown of different points to pray about. This prayer is not to be done in vain repetition. He wants us to pray this prayer personally, while declaring who he is and the truth of this word! As we do, His Kingdom will come!
- When Jesus says, "Lord let your kingdom come," this the central purpose of this entire prayer! All other parts of this prayer are wrapped into and support this portion.
- Jesus has organized the specific order and format of this prayer! We should pray according to the order and flow he has laid out in this passage! It's not that we can't ever interchange areas in our prayer time, but it's important to understand that if God has laid it out in a specific order, there is a reason for it! Lastly, it is important to understand that God will answer prayer when and how he wants to!

KINGDOM COME:

- When we pray "Your Kingdom Come", the reign and influence of God manifests and transcends from heaven to earth! God wants to bring his will to this earth, and he wants to do so through us! God has no plan B. God wants to use us to save the world! John says Jesus is the light of the world, but when Jesus spoke later, he tells us that we are the light of the world! We need to proclaim Jesus boldly to the world!
- If God is for you and you are for God his kingdom is going to run through you and overwhelm every bit of your influence. Your school, work, home, marriage, etc. God wants to flow into those places, thus, we must pray daily and pray his kingdom to come!
- The quickest way to bring Gods Kingdom in our lives:
 - Start to sing worship (even if under your breath)
 - Through consistent prayer. Pray without ceasing.
- Give God your first fruit of prayer in the morning. Pray in the morning! You are no good to anyone unless you pray. You can do nothing apart

from Jesus. If it comes between should I pray or should I eat...you should pray!

- **WHEN YOU PRAY:**
 - Your Father knows what you need! God is not like human fathers. You may or may not have had a great human father, but God is not like human fathers. God is Holy, or entirely other than or different! He is a different Father than our Father, so when we pray for his kingdom to come, it's a good thing!
 - Quote the scriptures! Call back to remembrance the characteristics of God and the ways he has come through in the past, either in scripture or in your life! God has a great track record.
 - You can't be a person who uses human wisdom to accomplish the will of god. You must rely on the Spirit's leading. God will often ask you to do things that are counter intuitive.
- **DELIVER US FROM THE EVIL ONE:**
 - ARE YOU not the God of the universe, did you not deliver us from the evil one in the past, and will you not do it again? God is the God of the universe, he is the one who delivered us from the evil one in the past AND he is the God who will do it again! Pray God's kingdom come in your life daily and receive deliverance from the evil one!
 - God loves you so much. Sometimes he will let you feel the pinch and the strain of life, to teach you how to pray. He will discipline you through the drama. It's not that he's doing it to you, others are or you are, but he is using the circumstances to teach you.
- **POWER FROM GOD & GLORY TO GOD:**
 - "For thine is the Kingdom and the power and the glory forever, Amen!"
 - The word power is 'Dunamis', meaning 'explosive power'. This power is not from us, but comes from Jesus! It is he who works in us giving us the desire and the power to do what pleases him! We should never steal God's glory!
 - If we humble ourselves and pray, understanding that it is HIS power and not ours, and that whatever God does in our lives if from him and for HIS glory and not our own, then we will experience the dunamis, explosive power of God in our lives!
 - God is bringing each person into a season of greater effectiveness, greater manifestation and great fruitfulness than ever before! Walk close with God, remaining humble and giving him all of the glory, and you will see more futility in your life and ministry then you have ever seen before.

RESPONSE / PRAYER:

- You can't do anything about yesterday! Yesterday is gone! Tomorrow is not promised! All you have is today! If you messed up, handle it now!
- Every time a person repents, there is divine assistance to help you!
- All you need to do is say yes to Jesus! Then, pray "Your Kingdom Come", over your finances, your emotions, your mind, your will, your family, your life, etc.
- Prayer: Jesus, wash my heart, cleanse me, forgive me of my sin, and give me a new start! I commit to following you! Lord Jesus, I pray right now, let your kingdom come, let your will be done on earth (in my life) as it is in heaven!!! Please, give me an impartation to understand prayer like never before!!!! In Jesus Name AMEN!
